Mercer County Community College is an equal opportunity institution. Our College values all students, staff, faculty and visitors as we strive for inclusion and safety regardless of one's disability, age, sex, gender identity, sexual orientation, race, ethnicity, immigration status, country of origin, religious or political affiliation, socioeconomic standing, veteran status or any other characteristic or class protected under federal state and local laws. The college affirms that diversity is fundamental to its mission and vision and commits to educating leaders for all sectors of society and public service.
